Hi! I'm Steve, and this is King. Keep an eye out for him as we go, he'll be hiding on every page.

A is for arrow, its tip nice and sharp
Shoot through a zombie, a cow or a carp

Here is a secret, go check and see
Shoot it through lava, it'll burn down a tree

B is for bed, when down goes the sun
The night will be shorter,
and you'll have more fun

When you get lost, so sad and alone
Your wonderful bed will bring you back home

C is for cactus, all prickles and tines
But it's not a chair, so watch your behind

Be wary, brave player, approach with great care
Or you will have half of one heart disappear

Õ

D is for Diamond, a treasure divine
So shiny and pretty, yet so hard to find

Deep in the caverns is where you must delve
But keep your eyes peeled around layer twelve
