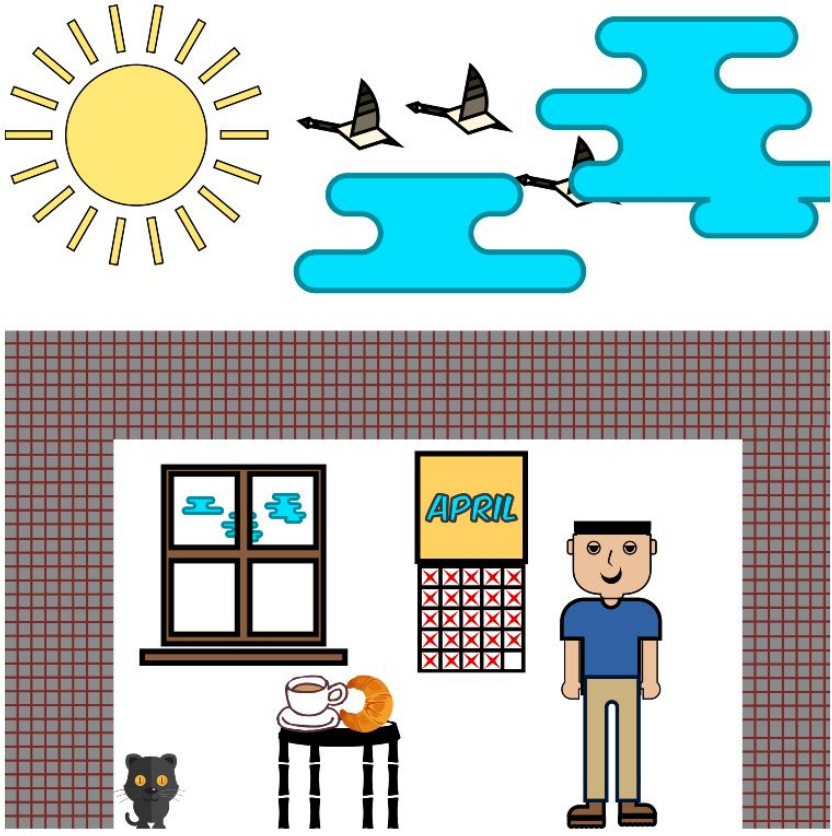
# Let’s Begin Now

õ õ

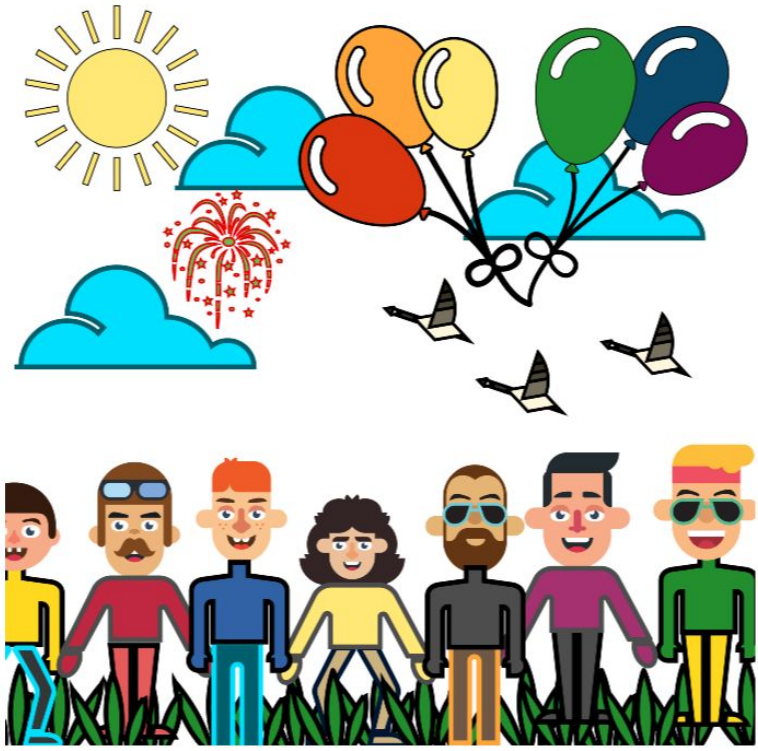


I'm waking up early, today is the day!
The winter is over, it's gonna be May!

We're having a party, the whole town will come!
A summer celebration will be so much fun!

We've got loads of food, more than we'll need.
To fill up all of these mouths we will feed.

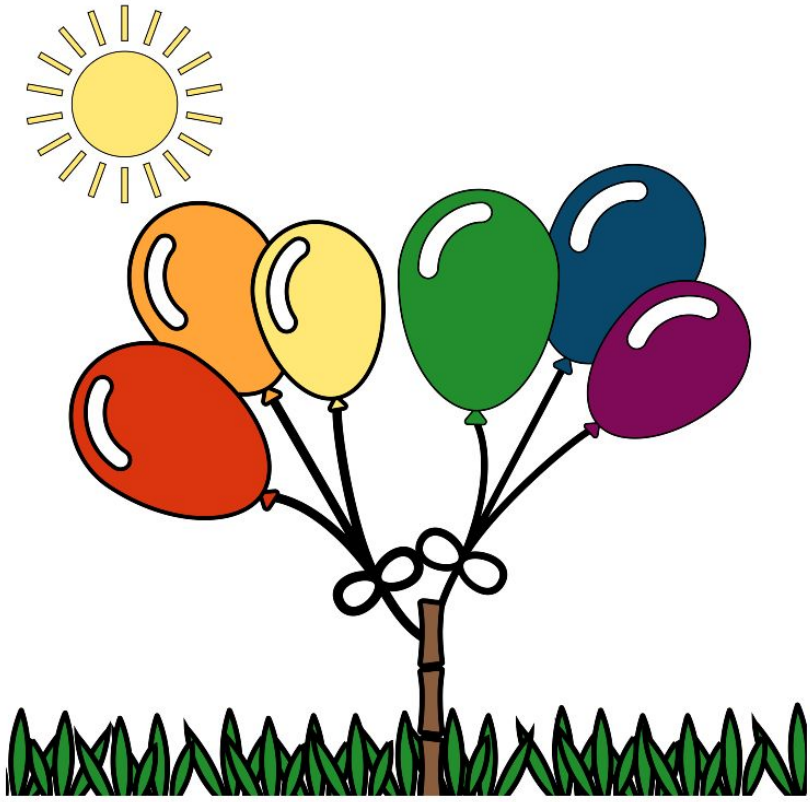
Hot dogs, corn dogs, sweet candy floss.
The Mayor wants everything, and he is the boss.



w-om-ow-om-ow-om-w-om-ow-om-o

"It's a festival of color!" He yells to the crowd!
They cheer and they whoop incredibly loud!

"Look over there," he points at the sky
where balloons of all colors float lazily by.



"Red, orange, yellow, green, and blue.
Look even closer, purple's there, too!"

"You all will get one, it'll brighten your day.
After you eat, take one and go play!"

Everyone is happy, they just cannot wait
to sit down in the park and fill up a plate.

Everyone, that is, except one little guy.
He feels left out, but he doesn't know why.

His name is Barney, and he is quite sad.
He hasn't made friends, and this makes him mad.

"I don't like this party, I don't like the noise.
I don't want hang out with these girls and boys."
